

# girly sites

by April Lundsten

HERE ARE FIVE OF THE BEST.

Purple-moon.com  
www.purple-moon.com

Lindzi's Page of Insanity  
www.lindzi.com

what's it about?

Hang with the chicks from Whistling Pines Jr. High.

Lindzi is the total bomb. She's a teen whose first love is acting, but her parents have said no way to the acting gig till she graduates from college. Until then, this site is her life. (Lucky for us!) This is the online place for cyber girls to hang.
